NO SOCIAL SECURITY COST OF LIVING INCREASE FOR SECOND YEAR IN A ROW

Unfortunately, with consumer prices still down, monthly Social Security and Supplemental Security Income benefits for more than 57 million Americans will not automatically increase in 2011. Last year was the first year without an automatic Cost-of-Living Adjustment (COLA) since they went into effect in 1975.

NEW NATIONAL RESOURCE DIRECTORY FOR VETERANS

The wounded, ill, and injured service members, veterans and those who support them, now have access to a state widget. It allows individuals see resources tailored by state and subject area on their own websites, blogs or Facebook fan pages. It can be personalized by color scheme and size, and can display resources by either popularity or by newest additions to the site. It is easy and maintenance free as it automatically updates when new information is added to the NRD. It provides Service Members, Veterans and their families with access to thousands of resources to support recovery, rehabilitation and community reintegration. Visit www.nationalresourcedirectory.gov.
